Audio Recording

Record on-site in the Blue Room Music Studio, Bethesda MD

\$75/hr

- Rate includes recording, mixing, and mastering services
- Rate includes studio rental, engineer, and up to 3 CD copies of the final mixdown (each additional copy is \$3/disc)
- Rate includes rental of all studio instruments, amplifiers, and microphones
- If you purchase more than 2 hours of studio time, the rate drops to \$70/hour for the entire session
- If you purchase more than 5 hours of studio time, the rate drops to \$65/hour for the entire session

Remote audio recording at your location

\$120/hr

- Rate includes engineer (and assistant, if necessary) coming to your provided location. Perfect if you prefer to record in the comfort of your own home, at a school, a church, a public event, or another facility.
- Blue Room Productions will bring our own microphones, stands, recording equipment, cables, and headphones. Audio will be multi-tracked into Pro Tools. After the material has been recorded at your location, mixing & mastering services are available at the hourly studio rates listed above.
- Instruments available upon request.

Live Sound

Live sound setup at your location

\$85/hr

- Rate includes front-of-house engineer and rental of all necessary equipment (PA system, microphones, stands, mixer, outboard gear, stage monitors)
- Instruments available upon request.

High-Definition Videography

Remote video recording at your location

\$90/hr

- Rate includes videographer, Panasonic HVX HD Camera and all necessary lenses, P2 cards, batteries, and tripods
- Up to 3 DVD copies of the unedited footage will be included. Additional editing will be performed at the hourly video editing rate listed below.
- For speeches, presentations, or music events, it is recommended to record the audio separate from the camera using our audio recording services listed above. Contact Blue Room Productions for a discounted package rate.

Video editing services

\$75/hr

- Rate includes editing of the recorded footage and up to 3 DVD copies of the final product, or a Quicktime video file that can be used for submission to YouTube, MySpace, Facebook, etc.
- Each additional DVD copy after 3 copies can be purchased for \$3/disc.
- Upon request, a **high definition Blu-Ray master can be purchased for \$40.**
